3. No lot shall be used and no building or improvement shall be constructed and used for mercantile, commercial, manufacturing, professional or business purpose.

4. No lot, building, or improvement shall be used for any immoral or unlawful purpose, and no noxious or offensive trade or activity shall be carried on upon any lot, and nothing shall be done thereon which may be or become a nuisance to the Subdivision and owners of lots therein.

5. No buildings or house trailers may be moved to the Subdivision and no basement or garage house or temporary residence of any kind shall be used as living quarters or permitted on any lot.

6. No lot shall be used for the purpose of advertising or the erection of any advertising sign or billboard, provided however, that signs customarily used in the sale of lots and dwellings shall be permitted when used for the purposes of selling such lots and dwellings, subject to rules and regulations adopted by the Subdivider.

7. No lot as platted shall be divided so as to result in creating additional lots. Provided, however, where lots are contiguous, part of one lot may be added to a contiguous lot, subject to approval by the Subdivider.

8. No animals, other than domesticated house pets, shall be kept or maintained within the Subdivision.

9. Recreational vehicles, trucks, boats, trailers and all other vehicles, except passenger automobiles, shall be garaged when not in use and totally concealed from view. No vehicles, including those of the lot owners shall be regularly parked on the street.

03-25853

writing by the Subdivider. The following provisions shall apply to such approval requests and approval.

A. All approval requests together with all required plans shall be submitted to the Subdivider for approval at least sixty (60) days prior to the commencement of any proposed construction. The Subdivider shall have the right, in its sole discretion, to approve or disapprove any approval requests.

B. Upon the event of approval by the Subdivider, the Subdivider, at the request of the lot owner, shall issue a Certificate of Approval stating that the approval request has been approved by the Subdivider. Approval shall be binding on the Subdivider provided that the construction strictly complies with the plans and specifications submitted to the Subdivider. Subdivider's approval shall not, however, excuse the lot owner from compliance with all applicable building and use restrictions, and the Subdivider shall not be liable for the approval of any plans and specifications which fail to comply with any building or use restriction. No action shall lie against the Subdivider for Subdivider's failure to approve or Subdivider's approval of any plans and specifications.

C. In the event the plans and specifications submitted to the Subdivider are not approved, the lot owner shall refrain from any construction for which approval was sought and not approved but shall have the right to resubmit new plans and specifications to the Subdivider for approval.

D. In the event the Subdivider fails to approve or disapprove any plans or specifications within sixty (60) days after such plans and specifications have been submitted to it or, in any event, if no suit to enjoin the construction in accordance with the plans and specifications has been commenced prior to the completion thereof, such approval shall not be required, and compliance with this covenant shall be deemed to have occurred.

2. Construction shall be governed by the following specifications:

A. Dwellings shall not exceed one and one-half (1 1/2) stories in height and shall be of French Country architectural design. One and one-half (1 1/2) stories describes a dwelling which provides less living area on the second floor than that provided on the first floor. The design shall be approved as French Country at the sole discretion of the Subdivider. Some lots in the Subdivision allow for a walkout basement. Such basements and other basements shall not be considered a "story" and shall not be included in determining the one and one-half (1 1/2) stories in height.

B. No dwelling shall have less than the following minimum number of square feet of enclosed living space, exclusive of basements, garages, porches and breeze-

03-25853

Fireplace enclosures shall not be included in computing the seventy percent (70%) masonry or comparable requirement. The computation of compliance with the seventy percent (70%) masonry or comparable requirement shall be at the sole discretion of the Subdivider following review and approval of building plans and specifications.
- F. All fireplace enclosures shall be constructed of brick, stone or comparable masonry appearing materials such as stucco or "Dryvit" so as to give the appearance of masonry construction.
- G. Except as necessarily incidental to active construction of the buildings and structures, no new or used construction materials or supplies, junk, machinery, or the like shall be kept or allowed to remain on a lot except inside buildings and concealed from view.
- H. No buildings or house trailers may be moved to the Subdivision, and no basement, garage house or temporary residence of any kind shall be used as living quarters or permitted on any lot. In the construction of any swimming, wading or landscape pool, all machinery and filtering tanks must be either recessed in the ground with an adequate cover, or placed inside a housing approved by the Subdivider.

M. Each dwelling shall be constructed with a garage having a capacity of no less than two and not more than four passenger automobiles. Any garage structure shall be of compatible design with and attached to the dwelling on the lot and approved by the Subdivider.

N. No clotheslines or posts or other appliances for hanging clothes outside shall be constructed or maintained.

O. In conjunction with each dwelling, there shall be constructed, at the expense of the lot owner, a freestanding lamp post and mailbox of a design approved by the Subdivider, and the following provisions shall apply to such installations.

(1) The lamp post shall be installed at a location approved by the Subdivider.

(2) The lamp post shall be fitted with an automatic illuminating device which will illuminate the lamp post fixture at dusk.

03-25853

(3) In the event that mail delivery is provided to the door of the dwellings in the Subdivision, freestanding mailboxes shall be removed by the lot owner within thirty (30) days after commencement of mail delivery to the door.

(4) The lot owner shall maintain the lamp post and mailbox in operating condition and in good repair at all times.

(5) In the event either the lamp post or mailbox is constructed in the public right-of-way, the lot owner shall hold harmless the City and County of Peoria, Illinois, from any damage occurring to either the lamp post or mailbox.

P. No trees in excess of eight inches in diameter at the base shall be destroyed or removed without the consent of the Subdivider.

Q. No building or structure of any kind shall be located on any lot nearer to the street, side, or rear yard lines than the building setback lines shown on the recorded plat of the Subdivision, or as otherwise required by applicable zoning or building codes.

R. On completion of construction of a dwelling, the lot owner, at lot owner's expense, shall:

(1) Install landscaping on the lot in accordance with plans approved by the Subdivider. Such landscaping shall be installed and lawns shall be sodded or seeded no later than the first growing season following completion of the construction of the exterior of the dwelling; and

(2) Install sidewalks along the frontage of the lot in conformity with the ordinances of the City of Peoria, Illinois and approval of the Subdivider.

S. The lot owners of Lots 18, 19 & 20, prior to construction of any buildings on such lots, shall each erect, and thereafter, repair and maintain a fence located and designed as follows:

(1) On Lot 18 the fence shall be located on the south Property line.

(2) On Lots 19 & 20, the fence shall be located six (6) feet distant from and parallel to the south property line.

(3) The above fences shall be of an ornamental design similar to the fence surrounding the golf course on Lot A (Elite Aluminum Company, 6 foot EFS-10, 4 rail with quad finials).

T. The lot owners of Lots 19 and 20 shall not remove the hedgerow along the south property line of such lots and shall be responsible for all maintenance and liability of that part of the hedgerow and other vegetation which overhangs such lots along the south property line.

U. The Association shall repair and maintain the fence located on Lot A.

3. Each lot owner shall maintain his property including all landscaping in a presentable condition. Unreasonable destruction of natural foliage shall be avoided. No refuse, garbage, ashes, waste, debris or any offensive substance or material shall be kept or allowed to remain in the Subdivision except temporarily in suitable containers.

4. At such time as construction of a dwelling is commenced, such construction shall be performed continuously and completed within one year after commencement of construction. Construction shall include construction of the dwelling and its appurtenances, the driveway, finished site grading and such ground covers as to prevent any soil erosion on the lot.

5. Property south of and adjacent to the Subdivision is currently being used for agricultural purposes, involving the pasturing of horses and production of forage crops. The Subdivider, the Association and lot owners shall not take any action to prevent the use of such property for such agricultural purposes.

ARTICLE III
Easements

Easements for public utility installation and maintenance, including installation and maintenance of necessary underground appliances, are reserved as shown on the Final Plat. The right is hereby granted to all public utilities to install, lay, construct, renew, operate and maintain pipes, conduits, cable wires and related equipment underground, with all necessary appliances and related equipment for the purposes of serving the Subdivision and adjoining property with gas, electricity, water, sewer, telephone service, and cable television, including the right to use the streets and walkways where necessary, together with the right to enter upon the lots at all times to install, lay, construct, renew, operate and maintain such pipes, conduits, cables, and other appliances and related equipment. For purposes of determining the number of lots in the Subdivision under this paragraph, the term, "Subdivision" shall include only Lots 1 through 30. The Subdivider shall have the right to transfer its rights as Subdivider in connection with a transfer of lots in the Subdivision and such transfer shall not be construed as a sale of lots under this paragraph.

Until the formation of the Association, all rights and obligations of the Association and Trustees thereof, including, without limitation, the powers and right to levy assessments shall be vested in the Subdivider.

2. Organization of the Association shall be effected by instrument in writing and recorded in the Recorder's Office. The association may be organized as an Illinois not-for-profit corporation in accordance with applicable law.

3. After the Subdivider has been divested of the management of the Association, the Association shall be managed as follows:

The person entitled to vote at any meeting of the Association shall be the owner or one of the owners designated by the owner of the lot. Such person entitled to vote shall be considered the Member of the Association. Voting shall be done in person at a meeting of the Association or by proxy signed by the Member. Decisions of the Membership of the Association shall be by majority vote of all lots in the Subdivision.

03-25853

B. Except as may be otherwise provided, the Association shall be managed by Five (5) Trustees, elected by Members of the Association at a meeting held for such purpose. The first organizational meeting of the Association for the purpose of assuming management of the Association from the Subdivider shall be held on thirty (30) days prior written notice to the lot owners. Such notice shall be given by the Subdivider which shall state the purpose of the meeting and the date on which the Subdivider will be divested of management. Each of the Trustees elected shall be a lot owner. At the organizational meeting, three (3) Trustees shall be elected for two (2) year terms and two (2) Trustees shall be elected for terms of one (1) year. At the expiration of the Initial Terms, all Trustees shall be elected for two (2) year terms. The first meeting of the Trustees shall be held within ten (10) days after the Trustees' election and at such time the Trustees shall elect from their number a President, Secretary and a Treasurer, all of whom shall serve for one (1) year or until their successor has been elected and qualified. The Secretary shall keep complete records of all actions and proceedings of the Trustees. The Trustees are authorized to act for and on behalf of the Association, and as may be directed by the Members thereof. The Trustees shall meet at such times and places as they determine provided, however, that the Trustees shall meet no less frequently than quarterly.

C. The Trustees may call special meetings of the Association by giving ten (10) days prior written notice to the Members. Annual meetings of the Association shall be held at such time and place as is designated by the Trustees. Election of the Trustees shall occur at the Annual Meeting.

D. All notices to the Members shall be either personally served or mailed to the last known address of the Member.

- E. To pass on plans and perform all other duties heretofore incumbent on or reserved to the Subdivider under the Declaration.
- F. To take all action necessary for the Association to own, sell, lease or otherwise deal with real estate and other property and provide for the maintenance and use thereof.
- G. To perform any and all other acts and services consistent with the provisions hereof and applicable law.
- H. To adopt reasonable rules and regulations relating to the Subdivision including, but not limited to, rules and regulations relating to the use of Lots A, B and C.
- I. To adopt such by-laws for the Association and the exercise of its duties as the Trustee's deem necessary or advisable provided that such by-laws are not inconsistent with this Declaration or applicable laws.
5. For the purpose of providing a general fund to enable the Association to perform the duties and to exercise its powers provided herein, all lots in the Subdivision shall be subject to assessments, to be paid by the lot owners monthly as hereinafter provided or according to such other timetable as the Trustees shall determine. Such assessments shall be made and levied equally on each lot.
6. The Trustees of the Association shall maintain complete records of all assessments levied and the payments on account thereof and such records shall be open for inspection to any Member or any person designated by a Member or the Association. Assessments on each lot shall be made in accordance with a budget adopted as follows. Each year, at least thirty (30) days prior to the annual meeting of Members, the Trustees shall adopt a budget for the payment of all anticipated expenses of the Association for the ensuing year. A copy of the budget shall be provided to each lot owner at least fourteen (14) days prior to the annual meeting of Members. The Trustees may from time to time amend the budget as they determine necessary on thirty (30) days prior notice to the Members calling for a special meeting of members for the consideration of such amendment. Any such amendment shall be approved unless a majority of lot owners vote to disapprove or otherwise amend the proposed amendment. Lot owners shall pay all assessments monthly or less frequently as the Trustees shall determine. Assessments shall become liens on real estate as soon as due and payable. If not paid within ten (10) days from the due date,

03-25853

such assessments shall bear interest at the rate of 1.5% monthly from the due date thereof. To enforce the payment of such assessments, the Trustees may record in the Recorder's Office a Notice of Lien which may be enforced as a lien on real estate in any Court in Peoria County having jurisdiction of suits for the enforcement of such liens. It shall be the duty of the Trustees to prepare and record Notice of Liens and to enforce liens. Such liens shall continue for a period of three (3) years from the date of delinquency but no longer unless that within such time suit shall have been instituted for the collection of the assessment, in which case the lien shall be valid until the assessment is paid. Such liens shall include such additional expenses as are incurred by the Association for all collection costs and attorney's fees.
