2. **PROPERTY USE.** The Subdivision and all lots therein shall be used only for single-family residences. No portion of the Subdivision, improved or unimproved, shall be used for any commercial, manufacturing, professional, religious, fraternal, or other business purpose.
3. **CONSTRUCTION REQUIREMENTS.** The construction of residences on lots in the Subdivision shall be governed by the following specifications:
- a. **Setback Lines.** The exterior walls of any building, garage, enclosed porch, swimming pool or other outbuilding shall not be erected or maintained closer to the front lot line than the setback lines shown on the plat of the Subdivision. Such structures shall also not be erected or maintained at any given point closer to the side or rear lot lines than ten percent (10%) of the respective width or depth of the lot at such point. Larger setbacks may be required by applicable zoning regulations.
 - b. **Footage Requirements.** As to residences of one level, the first floor living area shall have a total living area, exclusive of garage and basement, of not less than 2250 square feet. Residences of more than one level shall have a total living area of not less than 1300 square feet on the main level and not less than 2800 square feet total. No residence shall exceed two and one-half stories in height.
 - c. **Permitted/Required Exteriors.** No wall board, aluminum siding, sheet metal, tar paper, or roofing paper shall be used for any exterior wall covering or roofs. Aluminum may be used for gutters and downspouts, soffit and fascia boards. Stone, brick, wood, vinyl and stucco style materials shall be permitted exteriors, provided such materials are of suitable quality, grade and coloration so as to conform and harmonize with other improvements in the Subdivision. No excessively bright colors or light shadings shall be permitted on the exteriors of any building in the Subdivision. At least 1/2 of the total exterior of all residences (excluding garage doors and windows) shall be brick, stucco, or some other approved masonry product.
 - d. **Garages.** Each residence constructed on a lot in the Subdivision shall contain an attached, enclosed garage adequate to store, at a minimum, 2 standard-sized passenger vehicles. Any such garage shall be in conformity with the attached residence as to exterior, architecture and location.
 - e. **Roof Pitches.** All roofs shall have at least a 7/12 pitch.
 - f. **Fireplace Chases.** All fireplace chases shall be brick or some other approved masonry product. All chases shall fully extend to the ground.

01-07946

- h. **Excavation.** All materials excavated from any lot in the Subdivision shall be removed from the Subdivision unless permission is otherwise granted in writing by the Developer.
- i. **Swimming Pools.** All swimming pools must be enclosed by fencing approved by the Developer and shall, in all respects, comply with applicable ordinances and building codes. All devices used in connection with the swimming pool, including the filter and circulating pump, shall be located inside the required fence and concealed from view. Only in-ground pools shall be permitted.
- j. **Driveways and Curb Cuts.** All driveways leading from the street to the garage must be of blacktop, concrete, or other materials permitted by the Developer. Curbs which are removed for the purpose of making a driveway entrance shall be replaced as far as the nearest construction or expansion joint to insure a smoothly joining entrance, with a radius of return of at least five (5) feet.
- k. **Sidewalks.** Sidewalks must be installed by and at the expense of a lot owner upon the earlier of (i) six months after completion of construction of a residence on the lot, (ii) when required by governmental authority, or (iii) within two years of completion of construction of residences on 80% of the lots constituting the Subdivision. Details as to sidewalk size, placement, and materials are to be supplied by the Developer, with all sidewalks to be in conformity with other sidewalks in the Subdivision.
- l. **Mailboxes.** All mailboxes shall be of a uniform design approved by the Developer. Any replacement mailboxes shall conform with such initial design or, if not available, a design approved by the Developer.
- m. **Construction Style.** No log homes or A-frame style construction shall be permitted.
- n. **Developer Approval.** No building, outbuilding, storage shed tower, satellite dish, or swimming pool shall be erected, placed, or altered on any lot in the Subdivision until the building plans, specifications and site plans of said improvements have been submitted to and approved by the Developer. Site plans shall include the proposed location of any structure and the elevations of the structure. No prior approval shall be required for satellite dishes not exceeding a 20" diameter placed in the rear of a lot and obscured from view by landscaping. The Developer, as part of the approval process, shall evaluate the proposed improvements as to conformity and harmony of external design with existing structures in the Subdivision and as to location of the building with respect to topography and finished ground elevation. A minimum of two (2) copies of all building plans, specifications, and site plans shall be submitted before commencement of any construction on a lot. One copy of said building plans, specifications, and site plans shall be retained by the Developer. The Developer, at Developer's option, may require that samples of all exterior materials be submitted for examination prior to approval. If the Developer fails to give written approval or

01-07946

disapproval to such plans and specifications within thirty (30) days after same have been received by the Developer, the plans and specifications shall be deemed approved. All improvements shall be constructed in strict conformity with approved plans and specifications. Any changes during construction of the size or exterior of the building, either as to materials or colors, must be approved in writing by the Developer prior to continuation of construction.

4. **TEMPORARY STRUCTURES.** No trailer, basement, tent, shack, garage, barn or other outbuilding shall be at any time used as a residence, temporarily or permanently, in the Subdivision. No home shall be occupied as a residence until the exterior of such residence is completed in accordance with the approved plans and a certificate of occupancy (if required by a governmental agency) has been issued.
5. **REPLATTING.** No lot or lots as platted shall be divided so as to result in creating additional lots. The Developer, at Developer's sole discretion, may permit two (2) adjoining lots to be used for the construction of one residence.
6. **FOLIAGE REMOVAL.** No trees or other significant foliage, other than trees or foliage which are dead, hazardous, or reasonably impede construction of a residence or interfere with an easement, shall be destroyed or removed from any lot without the consent of the Developer.
7. **OFFENSIVE ACTIVITIES.** No noxious, hazardous, or offensive trade, object, or activity which may be or may become a nuisance, hazard or danger to the neighborhood, by sight, sound, odor, or otherwise, shall be performed or maintained on any lot or other part of the Subdivision.
8. **ANIMALS.** No animals other than domesticated house pets shall be kept or maintained within the Subdivision. Any pet runs or enclosures must be approved in writing by the Developer.
9. **PROPERTY MAINTENANCE.** All lot owners shall keep their property well maintained and in a presentable condition. In the event a lot presents a nuisance or an unattractive appearance because of accumulated debris, weeds or grasses, the Developer shall attempt to notify the owner of said lot in writing of the objectionable condition of the lot, with said notice to be mailed by certified mail, if more current information is not available, to the address listed with the Peoria County Supervisor of Assessments for the mailing of tax bills for said lot. If the condition of said lot is not adequately improved within ten days of the mailing of such notice, the Developer may undertake any such reasonable acts as may be necessary to improve the condition of the lot. Any charges sustained by the Developer may be charged to the lot owner, and, at the option of the Developer, may constitute and be recorded as a lien against said lot. Such liens may be enforced against the owner's property as permitted by law. Such liens must be recorded within two years of the time the debt was incurred and, unless enforced, shall expire within 2 years of recording. Attorney's fees and

01-07946

court costs shall be recoverable for enforcement of such lien.

10. **VEHICLE STORAGE.** No passenger cars, recreational vehicles, trailers, vans, mobile homes, boats, or other objects of substantial size, whether operative or inoperative, may be parked or stored on a regular basis within the confines of the Subdivision unless same is enclosed and concealed from view within a garage on the owner's property. This provision, to the extent permitted by law, shall apply to those parts of the Subdivision dedicated as public roadways.
11. **SUPPLY STORAGE.** Except as necessarily incidental to construction of buildings and structures on lots, no new or used construction materials, supplies, unused machinery, or the like shall be kept or allowed to remain in the Subdivision unless stored inside a building and concealed from view.
12. **EASEMENTS.** Easements for public utility installation and maintenance are reserved as shown on the recorded plat. Said utilities shall be permitted access to the indicated easements for the purpose of serving individual lots, the Subdivision, and adjoining property with standard public utilities, including, without limitation, electric, gas, water, sewer, television cable and telephone service. No permanent buildings, structures, or other significant foliage shall be placed on said easements, but the easements may be used for gardens, shrubs, landscaping, and other purposes that do not interfere with the maintenance or use of the easements.
13. **FENCE EASEMENT.** It shall be construed as though an easement has been granted along the entire Northerly and Westerly boundaries of the Subdivision for the installation and maintenance of a fence. The easement shall be five inches of even depth by full width. No lot owner shall remove or damage any such fence. Any landscaping or structures placed within such easement may be removed, if necessary, for such installation or maintenance without compensation to the lot owner, with any other damage caused during such installation or maintenance to be paid by the Developer.
14. **COMMENCEMENT OF CONSTRUCTION.** Any individual or entity acquiring a lot from the Developer must commence construction within twenty-four (24) months after the conveyance of title, unless a written extension is granted by the Developer. If the Developer elects to grant any such extension, as a condition to any such extension Developer may demand reimbursement of any utility deposits which remain unrefunded due to failure to hookup a residence on such lot, with the right to any future refund for such lot to be assigned to the lot owner. All construction must be completed in accordance with approved plans, including all landscaping work, within nine (9) months after commencement of construction. In the event such construction is not commenced within the allotted time, the Developer shall have the absolute right, at its sole option, to repurchase the lot by repayment of the original purchase price, in cash, with no interest to have accrued thereon. In the event a dwelling is commenced but not completed within the allotted time, the Developer shall have the absolute right, at its sole option, to repurchase the lot for the original purchase price, plus 90% of the fair market value of the partially completed dwelling thereon. If an agreement cannot be

reached as to the fair market value thereof, same shall be determined by arbitration by an arbitrator to be appointed by the lot owner, an arbitrator to be appointed by the Developer, and, if necessary, a third arbitrator to be appointed by the first two arbitrators, with a decision of the majority of arbitrators to be binding upon both the Developer and the lot owner. Costs of the arbitration shall be equally shared between the Developer and the lot owner.

15. **OUTDOOR LIGHTING.** All lot owners, upon completion of construction of the residence, shall install in the front area of their lot suitable, Developer-approved, lighting for night illumination of the frontage area of their lot unless adequate street lighting is otherwise provided.
16. **FENCING.** Except as to a fence along the perimeter of the Subdivision that may be constructed by the Developer, no enclosures or fences shall be constructed along or within the borderline of any lot without the written permission of the Developer. The Developer may unilaterally approve fences required by applicable ordinances necessary to enclose outdoor, in-ground swimming pools provided such fences are set back from the property line at least ten percent (10%) of the width of the lot at such point. Except for the Subdivision perimeter fence and fences for swimming pools, no other type of fence shall be constructed on any lot without the written approval of the Developer and all lot owners within the Subdivision owning lots contiguous to the lot which is the site of the proposed fence, "Contiguous" shall mean, for the purpose of this paragraph, any lot that is adjacent to the lot for which the fence is proposed, includes all lots to the sides, front, rear, and corners, with, for the purpose of this paragraph, "adjacent" being construed as including all lots that would touch the perimeter of the subject lot except for an intervening street.
17. **AMENDMENT OF RESTRICTIONS/PLATS.** Until the Developer divests all interest in all lots of the Subdivision, the Developer shall retain the right to amend, modify or annul any of the Restrictions detailed herein or on the Plat of the Subdivision by a written instrument to be recorded in the Office of the Recorder of Deeds, Peoria County, Illinois. Upon the sale of all of the Developer's interest in the Subdivision, these Restrictions may be amended by the affirmative vote of two-thirds of the total lot owners in the Subdivision, with the collective owners of each lot to have one vote in regards to any such issue. However, after the Developer's sale of any lot, no amendment of these Restrictions or the Plat of the Subdivision shall significantly impede or alter the continued development of the Subdivision in accordance with the general intent of the Developer as expressed herein.
18. **ENFORCEMENT OF RESTRICTIONS.** Any lot owner in the Subdivision shall be entitled to prosecute, in any proceeding in law or equity, any owner violating or attempting to violate any of the restrictions or covenants contained herein, to either prevent said owner from committing said violation or to recover damages for such violation.
19. **INVALIDATION OF RESTRICTIONS.** Invalidation of any portion of these Restrictions by judgment or Court order shall not affect any remaining Restrictions, which shall remain in full force and effect and be construed, as closely as possible, with the original intent of the Developer.

20. **CERTIFICATE OF COMPLIANCE.** Upon receipt of a written request by the owner of any lot, plus payment of a reasonable fee if so required, the Developer will issue a Certificate of Compliance stating that the building or buildings on said lot comply with these Restrictions, if such is the fact to the best of the Developer's knowledge. Such Certificate shall be conclusive evidence of satisfactory compliance with these Restrictions, except said Certificate shall not be conclusive as to matters of survey.
21. **LIMITATION OF LIABILITY.** In no event shall any action or inaction by the Developer in regards to the Developer's powers or duties expressed herein constitute or give rise to any liability against the Developer, provided such action or inaction does not constitute fraud or gross negligence.
22. **LOT 6-A.** No terms or provisions of these restrictions shall apply to Lot 6-A except as specifically detailed in this paragraph. Lot 6-A shall not be part of any homeowners association for the Subdivision and no assessments shall be levied against Lot 6-A. Ownership of Lot 6-A shall not entitle the owner to any voting rights in any homeowners association. The only restriction applicable to Lot 6-A is that there shall be at least a fifteen foot building setback line along the Southerly and Easterly sides of the lot and a twenty-five foot front yard building setback line along the Westerly side of Lot 6-A.
23. **ASSIGNMENT OF RIGHTS BY DEVELOPER.** The Developer shall have the right to sell, assign, transfer, or convey the rights of the Developer. Any such transfer shall be in writing and recorded in the office of the Recorder of Deeds, Peoria County. The Developer may, from time to time, appoint a designated agent to act for the Developer, and shall, upon request, furnish satisfactory evidence concerning the appointment and authority of said representative. If all lots in the Subdivision have not been sold at the time of formation of the Homeowners Association, upon the formation of the Homeowners Association and the recording of written authorization from the Developer, all rights, duties, and obligations of the Developer herein contained shall be transferred to such Homeowners Association unless certain rights are specifically retained. The Developer, in such written transfer of rights, duties, and obligations, may retain specific rights, including, without limitation, the right to approve construction plans and grant extensions for commencement of construction. However, nothing contained herein shall be construed as an assignment of the Developer's right to collect utility deposits.

II. HOMEOWNERS ASSOCIATION

1. **MEMBERSHIP IN ASSOCIATION.** Upon its formation, all lot owners in the Subdivision shall become members of the CHADWICK PLACE HOMEOWNERS ASSOCIATION (hereinafter referred to as the "Association"). Membership in the Association shall run with the land, and any conveyance of an interest to property in the Subdivision shall be deemed a conveyance of the associated membership in the Association.
2. **FORMATION OF ASSOCIATION.** The Association shall be formed the earlier of: a) the sale of all of the Developer's interest in the Subdivision, or b) the sale of 75% of the total lots in the Subdivision, plus written approval by the Developer for formation of the

Association. The Association shall not be deemed formed until written notice of the formation of the Association has been recorded in the Office of the Peoria County Recorder of Deeds and indexed to each lot in the Subdivision.

3. **POWERS AND DUTIES OF ASSOCIATION.** Once formed, the Association shall have the following powers and duties:
 - a. **Litigation.** The Association shall specifically have the authority to bring suit to enforce compliance with any of the Restrictions pertaining to the Subdivision in its own name and on its own behalf.
 - b. **Maintenance.** The Association shall be responsible for the care, maintenance, and upkeep of the common areas and entryways of the Subdivision, with said areas to include, without limitation, such areas as may hereinafter be subject to easements in favor of the Developer or the Association for maintenance of Subdivision signs, landscaping, fences or common areas. The Association shall maintain in a well kept condition any fence the Developer may choose to erect around the perimeter of the Subdivision and mow and maintain the property extending outward from the Subdivision to adjacent roadways.
 - c. **Construction Approval.** Upon written grant of authority from the Developer, the Association shall be responsible for the approval of construction in the Subdivision in accordance with the Restrictions and the issuance of certificates of compliance.
 - d. **Assessments.** The Association shall be authorized to assess fees against the lot owners in the Subdivision for the operational costs and projects of the Association in accordance with the guidelines hereinafter established.
 - e. **Ownership of Property.** The Association may own property in its own name.
 - f. **Full Powers.** Upon written grant of authority from the Developer, the Association shall have all rights otherwise reserved to the Developer.
4. **ORGANIZATION AND OPERATION OF THE ASSOCIATION.** Once formed, the Association may establish guidelines and by-laws for operation of and membership in the Association. The Association may elect to be organized and operate as a not-for-profit corporation or any other type of legal entity.
5. **INITIAL MEETING AND ORGANIZATION OF ASSOCIATION.** Notice of the initial meeting of the Association shall be provided by the Developer by either the delivery or mailing of notice, regular mail, to each lot owner in the Subdivision, or by the posting of a notice of the meeting in at least three conspicuous locations in the Subdivision at least 14 days prior to the meeting. Any such notice shall detail the date, time and place of the initial meeting of the Association, with said meeting to be held within 45 days of the initial mailing or posting of the notice. If notice is given by posting, said notices shall remain posted for

at least 14 days. The Developer may conduct the initial meeting until such time as the first election of trustees. If the Developer should fail to schedule the initial meeting of the Association after such time as when the Association should have been formed, the initial meeting can be scheduled by any individual lot owner in the Subdivision by following the procedures noted herein.

6. **VOTING RIGHTS.** In regards to all Association matters, one vote may be cast by the collective owners of any lot in the Subdivision. In the event any lot has been divided, the respective owners of such divided lot may cast a percentage of one vote, with said percentage to relate to the portion owned of the originally platted lot. Voting in Association matters may be done in person or by written proxy for specific issues, or general proxies provided same, on their face, expire within six months of execution.
7. **ELECTION OF TRUSTEES.** At the initial meeting of the Association, each lot owner shall be entitled to cast one vote for each lot owned for the election of Trustees of the Association. Those three individuals receiving the highest total of votes shall be elected as Trustees of the Association. The Trustees shall have the following rights and duties:
 - a. **Budgets.** The Trustees shall formulate a budget based on the estimated annual expenses of the Association for maintenance of common areas and operational costs with a reasonable reserve.
 - b. **Assessments.** The Trustees shall provide for the assessment of fees to each lot owner in an amount necessary to provide the funds required pursuant to the budget.
 - c. **Employment.** The Trustees shall employ, on behalf of the Association, such maintenance or service personnel as may be required to provide services to the common areas of the Association, and to employ and retain on behalf of the Association such legal, accounting, or other professional services as may be required by the Association.
 - d. **Preparation of By-Laws.** The Trustees shall formulate and propose, as part of the initial organization of the Association, general by-laws and guidelines for the Association.
 - e. **Payment.** The Trustees shall pay the bills of the Association and maintain accounts and books and records in accordance with standard accounting practices.
8. **PROVISIONS RELATING TO TRUSTEES.** Unless and until the Association adopts new by-laws, each Trustee shall be elected for a period of two years, provided, however, that the two Trustees receiving the fewest number of votes at the initial meeting of the Association shall be elected for a term of one year, with their successors to be elected for two year terms. The Trustees shall provide for at least an annual meeting of the Association to be held at a reasonable time and place, which meeting shall include the election of new Trustees, with notice of said meeting to be made by delivering or mailing such notice, regular mail, to all lot owners or by conspicuously posting notice of said meeting for 14 days

in advance of the meeting in at least three places in the Subdivision. Trustees shall not be entitled to receipt of compensation for their acts as Trustees, nor shall any Trustee receive compensation for professional advice provided to the Association. Absent fraud or gross negligence, no Trustee shall be personally liable for any act or failure to act on behalf of the Association.

9. **ADOPTION OR AMENDMENT OF BY-LAWS.** The Association may adopt or amend the By-laws of the Association upon the affirmative vote of three-fourths of all lot owners in the Subdivision.
10. **ASSESSMENTS.** The Association shall be empowered to assess each individual lot for said lot owner's proportionate share of the budget established by the Trustees. Assessments against each lot in the Subdivision shall be in equal amounts regardless of a lot's size. Owners of any divided lot shall pay an assessment for such divided lot equal to a standard lot assessment times the proportionate amount of the divided lot owned. Regardless of the budget established by the Trustees, the amount of the annual assessment charged to the lot owners may not exceed the sum of \$250.00 per year, adjusted for inflation, unless the amount of the annual assessment is approved by at least three-fourths of the lot owners in the Subdivision.
11. **LIENS.** Any amount assessed against an individual lot which remains unpaid thirty days after said assessment becomes due may, at the option of the Association, become a lien against the lot by placing notice of record with the Peoria County Recorder of Deeds. In order to become a valid lien, said lien must be placed of record within two years of the time said amount claimed became due, with the lien to expire two years after recording of same. Payment of said lien may be enforced by foreclosure of lien, or any other method permitted by law, and the Association may recover reasonable attorney's fees and court costs incurred in recovery of amounts due.
12. **MERGER OF ASSOCIATIONS.** If the Developer develops contiguous subdivisions which shall be called subsequent sections of Chadwick Place, upon written demand from the Developer the Association shall merge with the homeowners association for such subdivisions. Absent such written demand, upon receipt of written approval of fifty percent of the lot owners in the Subdivision, the Association may merge with homeowners associations for contiguous subdivisions.

In addition to the Chadwick Place Declaration of Restrictions (hereinafter "Restrictions") and the Chadwick Place Homeowners' Association Bylaws (hereinafter "Bylaws"), each Chadwick Place Lot Owner (hereinafter "Owner") is bound by these Rules and Regulations, enacted by the Chadwick Place Board of Trustees (hereinafter the "Board") and approved by the Chadwick Place Owners.

1. An Owner's dog or cat must be on a leash at all times when outside the Owner's lot.
2. Except for the occasions when an Owner's dog or cat is on a leash (see paragraph one), cats and dogs shall be confined to the Owner's property. Confinement outside may be by traditional fence (approved by the Homeowners' Association) or by an invisible fence that is demarcated as such.
3. Dog houses and storage sheds are not allowed within Chadwick Place unless concealed from view within the Owner's garage.
4. All residents shall clean up after their dogs and cats and dispose of waste in the Owner's trash receptacle.
5. Owners shall be responsible for their dogs so as to not disturb fellow homeowners with barking dogs. At no time should a dog be outside barking for a period greater than 30 minutes during daytime hours (9:00 am to 8:00 pm) and greater than 15 minutes during evening hours (8:00 pm to 9:00 am).
6. No vehicle that has license plates other than that of passenger plates shall be parked or stored on a regular basis in any location other than the Owner's garage concealed from view. In addition, any vehicles that are unsightly shall be confined in the Owner's garage concealed from view.
7. An Owner's vehicle or vehicles and Owners' guest's vehicles shall be parked in the garage or in the Owner's driveway whenever practicable. At no time should an Owner's vehicle be parked in the street other than on a temporary basis. No vehicle shall ever block any Owner's sidewalk, entryway, mailbox or driveway.
8. Playgrounds, playground equipment and trampolines shall be located in the backyard only.
9. Clotheslines are prohibited.
10. Paragraphs 3(i) and 3(n) of the Restrictions shall apply. However, Owners are permitted to have a child's pool within the following parameters:
 - a. The pool shall measure no more than six (6) feet at its widest point.
 - b. The pool shall not hold greater than twenty-four (24) inches of water.
 - c. Water shall be emptied from the pool when not in use. At a minimum, the pool shall be emptied during evening hours, starting at sundown, each and every day. When empty of water, the pool shall be stored and concealed inside the Owner's house or garage.
 - d. Owners shall be responsible for monitoring and supervising their pools so as to not pose a risk to children in the neighborhood. At no time shall any pool containing water be left

unattended by the Owner or a responsible adult designated by the Owner.

11. Paragraph 3(n) of the Restrictions shall apply with regard to buildings and structures that require Board approval. Board approval is also required before an Owner may begin constructing any deck, patio, spa, hot tub, gazebo, pergola, retaining wall, or other similar permanent structure, or any substantial modification to existing structures unless said construction or modification was previously approved by the developer.
12. Construction projects on an Owner's property, including, but not limited to, building additions, swimming pools, patios, decks, landscaping, play equipment, spas, hot tubs, and fences, shall be completed within a reasonable time period and as soon as practicable. 13. Owners are responsible for the general upkeep of their property. Each Owner shall keep his or her yard mowed and generally free of weeds. The Owner shall keep trees, shrubs, and other plant material on his or her property trimmed. Unsightly piles of brush, dirt or other debris shall be promptly removed from the Owner's property and the subdivision. If, after written notice to the Owner, the property is still not properly maintained, the Board may contract for appropriate maintenance at the Owner's expense.

All such receptacles, including, but not limited to, paper or plastic bags and trash containers, shall be hidden from view within the Owner's garage. Trash receptacles may be placed at the street curb for pickup no earlier than 7:00 pm on the evening prior to scheduled trash pickup and must be returned to the garage by 7:00 pm on the day of trash pickup.
15. No Owner shall lease or rent their property for a period greater than one year, unless the Owner has obtained written consent of the Board. The Owner is responsible for providing the tenant or lessee with copies of the Bylaws, Restrictions, and Rules and Regulations. The Owner and tenant or lessee shall be jointly responsible for being in compliance with the provisions of these documents.
16. The Board shall have the right to impose fines on any homeowner for violations of the Restrictions, Bylaws or Rules and Regulations. When imposing the fine the Board shall consider (i) the seriousness of the violation; (ii) past violations if any; (iii) efforts made, if any, by the Owner to comply with the applicable restriction, rule or regulation; (iv) any previous efforts by the Board or other Owners to encourage the Owner to correct the violation; (v) the overall negative impact of the violation on the neighborhood and fellow Owners' quality of life. This provision shall not in any way limit the legal remedies of the Board or the Homeowners' Association's they may have pursuant to the Restrictions, Bylaws and Illinois law.
