Until the Developer divests himself of all interest in all Lots of the Subdivision, the Developer shall retain the right to amend, modify or annul any of the restrictions detailed herein or on the Plat by written instrument signed solely by Developer to be recorded in the Office of the Recorder of Deeds, Peoria County, Illinois. Upon sale of all of Developer's interest in each Phase or Section of Sommer Place Subdivision, these restrictions may be amended by the affirmative vote of a majority of those Lot Owners present at a properly called meeting for the purpose of amending the restrictions, at which a quorum is present. However, after Developer's sale of any Lot, no amendment of these restrictions or the Plat of Subdivision shall significantly impede or alter the continued development of the Subdivision in accordance with the general intent of Developer as expressed herein.

17. ENFORCEMENT OF RESTRICTIONS. Any Lot Owner in the Subdivision, the Developer, and/or the Association shall be entitled, but not required, to prosecute, in any proceeding in law or equity, any owner violating or attempting to violate any of the restrictions or covenants contained herein, to either prevent said Lot Owner from committing said violation or to recover damages for such violation. 19. CERTIFICATE OF COMPLIANCE. Upon receipt of a written request by a Lot Owner, plus payment of a reasonable fee if a fee established by Developer, the Developer will issue a certificate of compliance stating that the building or buildings on said Lot comply with these restrictions, if such is the fact to the best of the Developer's knowledge. Such Certificate shall be conclusive evidence of satisfactory compliance with these restrictions, except said Certificate shall not be conclusive as to matter of survey.

Developer's recording of the deed shall indicate conveyance to the Association and acceptance by the Association. The Association shall thereafter properly maintain such detention pond and related equipment in proper working order. The Developer confirms that SOMMER PLACE HOMEOWNERS' ASSOCIATION has been formed, but that rights specifically reserved to the Developer herein shall not be transferred to said Association without a recorded express assignment of said rights, which rights shall include, without limitation, the right to approve construction plans and grant extensions for commencement of construction. Upon the sale of all Lots in the Subdivision, should the Developer fail to record an express assignment within 90 days of the sale of the final available Lot, such transfer of all such rights, duties and obligations set forth in these restrictions to the Association shall be deemed to have been made automatically without further action.

Said lots, and the detention ponds and equipment therein, shall be kept in presentable condition and in properly working order.

d. Assessments. The Association shall be authorized to assess fees against the Lot Owners in the Subdivision for the operational costs and projects of the Association in accordance with the guidelines hereinafter established.

e. Ownership of Property. The Association may own property in its own name. The Association shall accept conveyance of Outlot A from the Developer. The Developer shall have the absolute right to record the deed to the Association and send a copy to the Association which shall indicate acceptance.

f. Full Powers. Upon written grant of authority from the Developer, the Association shall have all rights otherwise reserved to the Developer.

4. ORGANIZATION AND OPERATION OF THE ASSOCIATION. Once formed, the Association may establish guidelines and by-laws for operation of and membership in the Association. The Association may elect to be organized and operate as a not-for-profit corporation or any other type of legal entity.

5. INITIAL MEETING AND ORGANIZATION OF ASSOCIATION. Notice of the initial meeting of the Association shall be provided by the Developer by either delivery or mailing of notice, regular mail, to each Lot Owner in the Subdivision. The notice shall detail the date, time and place of the initial meeting of the Association, with said meeting to be held within forty-five (45) days of the date of the notice. The Developer may conduct the initial meeting until such time as the first election of trustees. If the Developer should fail to schedule the initial meeting of the Association after such time as when the Association should have been formed, the initial meeting can be scheduled by any individual Lot Owner in the Subdivision by following the procedures noted herein.

6. VOTING RIGHTS. In regards to all Association matters, one vote may be cast by the collective owners of each Lot of record in the Subdivision. 7. ELECTION OF BOARD MEMBERS. At the initial meeting of the Association, each Lot Owner shall be entitled to cast one vote for each Lot owned for the election of Board Members of the Association. a. Budgets. The Board Members shall formulate a budget based on the estimated annual Expenses of the Association for maintenance of common areas and operational costs with a reasonable reserve.

b. Assessments. The Board Members shall provide for the assessment of fees to each Lot Owner in an amount necessary to provide the funds required pursuant to the budget.

c. Employment. The Board Members shall employ, on behalf of the Association, such maintenance or service personnel as may be required to provide services to the common areas of the Association, and to employ and retain on behalf of the Association such legal, accounting, or other professional services as may be required by the Association.

d. Preparation of By-Laws. The Board Members shall formulate and propose, as part of the initial organization of the Association, general by-laws and guidelines for the Association.

e. Payment. The Board Members shall pay the bills of the Association and maintain accounts and books and records in accordance with standard accounting practices.

8. PROVISIONS RELATING TO BOARD MEMBERS. Unless and until the Association adopts new by-laws. Each Board Member shall be elected for a period of three years, provided, however, that the two Board Members receiving the fewest number of votes at the initial meeting of the Association shall be elected for a term of two years and one year, respectively, with their successors to be elected for three year terms; thus staggering the terms so that in each year, one Board Member is elected. The Board Members shall provide for at least an annual meeting of the Association to be held at a reasonable time and place, which meeting shall include the election of one new Board Member, with notice of said meeting to be made by delivering or mailing such notice, regular mail, to all Lot Owners or by conspicuously posting notice of said meeting for fourteen (14) days in advance of the meeting in at least three places in the Subdivision. Board Members shall not be entitled to receipt of compensation for their acts as Board Members, nor shall any Board Member receive compensation for professional advice provided to the Association. Absent fraud or gross negligence, no Board Member shall be personally liable for any act or failure to act on behalf of the Association.

9. ADOPTION OR AMENDMENT OF BY-LAWS. The Association may adopt or amend the By-Laws of the Association upon the affirmative vote of a majority of those Lot Owners present at a properly called meeting for that purpose at which a quorum is present.

10. ASSESSMENTS. The Association shall be empowered to assess each individual Lot for said Lot Owner's proportionate share of the budget established by the Board Members. Assessments against each Lot in the Subdivision shall be in equal amounts regardless of a Lot's size except that no assessment shall be made against Outlot A. Regardless of the budget established by the Board Members, the amount of the annual assessment charged to the Lot Owners may not exceed the sum of \$150.00 per year, adjusted for inflation, unless an increase in assessment is approved by the affirmative vote of a majority of those Lot Owners present at a properly called meeting for that purpose at which a quorum is present. However, an increase which would more than double the prior year's dues will require an affirmative vote of a majority of all Lot Owners in the Association.

11. LIENS. Any amount assessed against an individual Lot which remains unpaid thirty (30) days after said assessment, plus the costs of filing a lien including attorney's fees, becomes due may, at the option of the Association, become a lien against the Lot by placing notice of record with the Peoria County Recorder of Deeds. In order to become a valid lien, said lien must be placed of record within two (2) years of the time said amount claimed became due, with the lien to expire two (2) years after recording of the same.
